

PLAY AND LEARN

success starts **early.**

FUN FOR PARENTS, CARE GIVERS, AND KIDS

Got kids? If you care for a child age 1, 2, 3, 4, or 5, come play and learn!

Each week, free educational play groups meet for 90 minutes. Receive ideas for learning activities you can do at home with common household objects. Child care providers receive training credit for attendance.

While you play with your children, you'll also learn about child development, early literacy, and positive discipline.

Want to prepare your children for success? You'll find ideas and resources in the Play and Learn curriculum, which is aligned with Michigan Department of Education learning expectations for 3- and 4-year-olds in preparation for kindergarten.
